| CGI is preparing talking points for the DDCI for his upcoming West Coast trip. Topics include political instablility, international financial and economic problems, personality and political styles of foreign leaders, and industries and commercial markets ripe for investment/attention. National Intelligence Council NIO/GPF briefed the Chairman, JCS and the Chief of Staff, Air Force on GPF programs. General Vessey was interested in the NIE on the Military Reliability of the Soviet Union's Warsaw Pact Allies. He indicated requirement to identify exploitable weaknesses in the Soviet-NSWP structure and to assess the effectiveness of Soviet control mechanisms. Personnel See tab. General Counsel Agreement was reached between CGC and Jordan's lawyers settling Jordan v. Casey without a court trial. Department of Justice approval is expected and will bring this potentially precedent setting case to a close. A routine security reinvestigation and polygraph resulted in | | 2 |
